## Reasons I Am Getting a Second College Degree

1. I feel like I have outgrown this career. It bores me now. Who do I know that has a second college degree?
2. I have hit a glass ceiling. A second degree can help me break through it. For example, I am a petroleum engineer. An mba that might position me for upper management.
3. I can use what I learned in this career to move to another career. For example, I am a petroleum engineer. If I got a law degree, I could specialize in defending petrochemical companies that get sued.
4. I don't get to use my people skills enough.
5. I don't get to use my brain enough.
6. There is too much pressure to perform – Money is the only game. I want something that helps people. That is how I need to make a difference.

## Other Considerations

  - H. S/he knows me. What second college degree does s/he think I should get?
  - I. Will s/he look at my PSA© and then advise me about people to talk with?
  - J. What should I have asked that I did not think of?
